“How To Get Published?”

MULTI-PROFESSIONAL RESEARCH AWARENESS WORKSHOP

If you want to get your name on Medline and don't know how, this is the course for you.

Target participants:

Hospital doctors university teachers and other professionals from all specialties who want to improve their research and publishing experience.

Aim:

To offer A-Z guide to conduct successful research projects whilst getting on with busy professional life and enables you to identify the rules of the “publishing game”.

Learning outcomes: By the end of the course you will know how:

- To set up and execute a research project.
- To select the appropriate study design.
- To administer your project and obtain ethics approval.
- To write papers which are publishable in peer reviewed journals.
- To make your audit publishable.

Course Organizers : Professor Abdallah Mangoud Hull and York University

Mr. Ayman Ewies, Consultant Gynaecologist, Sandwell & West Birmingham Hospitals NHS Trust.
